

BUCKS COUNTY COMMUNITY COLLEGE

Addition

Perkasie, Pennsylvania

SGA is designing an addition to the existing Bucks County Community College Upper County campus located in East Rockhill Township. The addition will increase the facility by 18,000 – 25,000 SF and include classroom, office and common spaces. The approach to the design of the addition will include a charrette planning process and will incorporate sustainable design principles and materials. In addition to providing more space for the students of the College, another goal of the project is to offer multi-use space to the surrounding community.

In design, construction date to be determined
