Penncrest High School — Additions and Renovations

Media, Pennsylvania

For this project, the existing 150,000 SF Penncrest High School facility, built in the 1950's, is rearranged programmatically, renovated and approximately 50,000 SF is added. The project ensures that the educational design functions around the community concept, integrates new food court style eating areas and includes the addition of a large new athletic facility as well as a significant amount of site improvement.

Construction complete June 2001

The project shown above represents an L. Robert Kimball & Associates project completed by principals of SGA. Photography by Jim Schafer Location Photography, Pittsburgh, PA.
