

SWARTHMORE COLLEGE

New Indoor Tennis Facility

Swarthmore, Pennsylvania

Sited on the side of a hill, this 28,000 SF indoor tennis facility completes the College's ring of athletic facilities. A major goal for the project, which is constructed using a pre-engineered building structure, included creating a skin for the facility that mimicked the art deco design of the other athletic facilities within the complex.

Construction complete April 2001

The project shown above represents an L. Robert Kimball & Associates project completed by principals of SGA. Photography by Jim Schafer Location Photography, Pittsburgh, PA.
