

TWIN VALLEY SCHOOL DISTRICT

Twin Valley Elementary Center — New Elementary School

Elverson, Pennsylvania

The Twin Valley Elementary Center is a 60,000 SF LEED Silver certified building designed around the community learning concept. Each core of classrooms is designed around a common learning area that encourages students from multiple grades within that particular core to study and work together. The building is carefully designed around daylighting goals and utilizes renewable/recycled materials and a ground source heat pump system.

Construction complete June 2005

The project shown above represents an L. Robert Kimball & Associates project completed by principals of SGA. Photography by Jim Schafer Location Photography, Pittsburgh, PA.
