New Headquarters and State E9-1-1 Center

Cranston, Rhode Island

SGA, in association with Robinson Green Beretta, provides programming, planning and design services to fit-out a E9-1-1 space located within the new Rhode Island State Police Headquarters facility. The new 16,000 SF E9-1-1 center accommodates 18 positions with room to expand for an additional four positions. The center has fully redundant HVAC and electrical systems and acts as the 9-1-1 PSAP for the State of Rhode Island.

Construction beginning Summer 2007
